

## EXECUTIVE PROTECTION & TRAVEL SUPPORT

1. Travel Assessment
2. Travel Planning
3. Plan Implementation

### Executive Protection Services

To ensure a safe and unobstructed travel program, Adsum Risk Consulting (ARC) will arrange everything to insure your safe and productive travel. PSM will assist in arranging itineraries, safe accommodation, secure venues and transport, preferred medical facilities, interpreters, and emergency contingency plans.

The close-in personal protective security specialists of ARC have a strong police and counter-terrorism backgrounds and are specifically selected for their expertise, experience and proven integrity. Detailed and tailored planning and appropriate deployments surround each client with a reassuring safety zone.

### Our Services

ARC can undertake your company's; your personal, or your family's close-in protection requirements; this can be in the form of close protection or as residential security. We recognize that each customer has varying and specific needs and desires, which are assessed individually and validated; solutions are then planned and tailored to the most rigorous demands and standards. Our assessment is comprehensive enough to allow us to develop an understanding between you and your team who will have the experience and knowledge to ensure that you feel safe and relaxed in all situations. The members of our selected team can meet you with an array of executive vehicles at any pre-determined location (in Asia)

Our assignments range from single events to months of 24 hour close protection.

### They include:

- Close Personal protection
- Secure transport by sea, air, or land
- Event security planning and implementation
- Chauffer service with a qualified security driver
- Corporate events
- Annual General Meetings
- Transportation of valuables
- Building openings and product launches
- Any social occasion
- Celebrity appearances

ARC always works discretely within the legal framework of the country of operations. Different legal jurisdictions demand solutions tailored to those circumstances. Customer confidentiality, tact and diplomacy are assured.

With more than a combined total of 150 years in the risk management industry, ARC is ideally placed to understand and advise its clients on security standards and requirements around the globe. We provide pragmatic, coherent solutions to real world problems.

### Why ARC?

ARC is a pure risk consulting firm; our solutions are developed to serve only the best interests of the client. ARC consultants have been providing risk mitigation services for large corporations, small businesses, and various governments throughout the Asia-Pacific region for more than twenty-five years.

ARC always works discretely within the legal framework of the

country in which the services are being provided. Customer confidentiality, tact and diplomacy are assured.
