Why we are different

ARC is a pure risk consulting firm in that we do not supply technology or manpower; our solutions are developed to serve only the best interests of the client. ARC consultants have extensive experience and have been credentialed through internationally recognized associations for demonstrating the required knowledge in respect to risk issues which affect your organization.

We have been providing risk mitigation services for large corporations, small businesses, and various governments throughout the Asia-Pacific region for more than twenty-five years. Our experience of various industries is broad and includes:

- Data Center's and Research Facilities
- Energy & Infrastructure
- Hotels & Resorts
- Corporate & Industrial
- Government
- Manufacturing & Retail
- VIPs and High Net Worth Individuals
- The Gaming Industry
